

List of course books for Languages for All Courses

Last updated 20 March 2020

Blackwell's on Broad Street are happy to consider your language course books for second hand buy back. The second hand department is located on the second floor but it is recommended to email in advance to make an appointment at secondhand.ox@blackwell.co.uk. When contacting Blackwell's it would be helpful to state the ISBN of the book and a general description of the condition of the book. If the book is in, or near to, mint condition they will buy back at up to 30% (of the discounted price on our website) on a gift card or 20% onto a debit card. If the book is in unsellable condition, an old or dated edition or if there is an accompanying audio or visual content that has been used we will be unable to take the item into stock.

There is also a platform in the Virtual Language Centre on Canvas for students where learners can buy and sell second hand textbooks. To enrol on the Virtual Language Centre, please visit <https://login.canvas.ox.ac.uk/>.
